Description (Please provide a detailed description of the event in the box below)	<p>First Resources Limited (the "Group") is pleased to announce the issuance of its third Sustainability Report. As with the previous Sustainability Reports for 2011 and 2013, the Group continues to adopt the internationally-recognised Global Reporting Initiative guidelines in preparation of the report. The content of the report have been determined based on ongoing stakeholder dialogues and a review of issues that are critical to the Group. In developing this report, the Group has worked with Helikonika, an advisory firm with extensive experience in palm oil disclosures.</p> <p>The report contains the Group's sustainability-related performances, new sustainability strategies, and roadmap to achieving new sustainability targets.</p> <p>First Resources' Sustainability Reports 2011, 2013 and 2015 are available on its website - http://www.first-resources.com/sustainability.php?pc=report</p>
